Measure, Manage & Master Risk

MST National User Group Conference

May 7-8, 2012

As continued uncertainty surrounds the financial industry, the MST National User Group Conference will focus on specifics that will impact the loan loss reserve, credit quality, capital, regulation, legislation, and accounting standards in both the near and distant future.

Join others from across the United States, representing financial institutions that depend on MST, as we meet at Treasure Island, Las Vegas for two days of information, discussion and interaction.

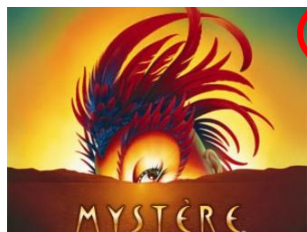

Conference Cost:

\$550 per person

Includes all General Meetings and Break-Out Sessions

Breakfast and Lunch May 7 and 8
